

July 2026

Dear 2027 Year 7s of Mullauna SC,

Welcome to your new school community! We're so excited to have you all. Starting high school is a big step, and it's completely normal to feel a mix of excitement and nerves. Mullauna staff and students want to make sure you feel confident and motivated during this transition.

One of our favourite things about high school is how quickly everyone starts to feel comfortable around each other. Even though everyone comes from different primary schools, it is surprisingly easy to make new friends, especially with the tight Mullauna **community**. There are plenty of chances to meet people through classes, break times at your locker and the gaga pit, and lunchtime activities, such as art club and games club. You'll find that most students are welcoming and open to connecting with others. This particularly made easy with the year 10 Peer Support program, in a group you will be allocated a year 10 leader to help guide you through high school. This begins at your camp in the first couple of weeks. These are people that you can turn to for support all throughout year 7.

You all must be very **curious** about what lies ahead in high school, maybe to the point where it becomes overwhelming. But don't worry, daily life is made easier with your regular teachers and year-level coordinator helping to guide you. With your student diaries, your teachers will help you to stay organised, making settling in more comfortable, while still nourishing your curiosity. The teachers here are supportive, approachable, and genuinely invested in helping you do your best. If you ever feel overwhelmed, however, the library and wellbeing space with Ruby the dog is a great space to study, relax, or discover new interests.

School life at Mullauna is full of exciting opportunities. We hope you have the **courage** to take on these new challenges. This is a place where you are encouraged to try, learn, and grow. You don't need to have everything figured out straight away. What matters is that you show up, get involved, and make the most of the opportunities in front of you. You'll be able to learn new skills in your subjects like Music, Challenge, Art, Food Studies, and DigiTech.

We're really glad to have you join our school community. We hope you enjoy all the lovely opportunities, support and experiences that will help you grow both academically and personally.

Sincerely,

2026 School Captains – Lucy, Caitlin, Victoria, Teiva
