

Child Safety – Information for Students

@ 25 June 2026

Welcome to Mullauna Secondary College.

Mullauna Secondary College (MSC) is committed to your safety and wellbeing, and we hope you feel welcomed and comfortable in our college community.

We encourage all students to speak out about issues that affect their wellbeing.

We have a zero tolerance for child abuse, and we are dedicated to your care and wellbeing. We aim to provide a positive and engaging learning environment for you that is safe and ensures your voice is heard about decisions that affect your life.

If ever you have a safety concern, you can speak to or contact your Year Level Coordinator, a member of the school Wellbeing Team or any of your teachers. To assist you to recognise who to talk to you will find a picture of all key listed staff members on the next page. Alternatively, you can choose to speak to any other staff member. This goes for your parents too.

Issues related to your engagement or learning in a particular subject / class should be discussed with your classroom teacher, as they will know you best in this regard.

If it's a broader concern, or if you aren't comfortable raising an issue with your teacher, you should approach your Year Level Coordinator or a member of the Wellbeing Team.

If it's a concern about your safety, you can also raise it directly with our Child Safety Champions.

The Mullauna Secondary College Child Safety Champions are:
