

July 2026

Dear parents and carers,

We welcome your family to our Mullauna Secondary College community and look forward to sharing your child's secondary schooling experience with you. To set a firm foundation for success, we encourage our students to adopt our MSC Values of Courage, Curiosity & Community and set high expectations for them: to embrace the Year 6 to 7 transition and the opportunities it presents; to face and overcome the challenges that lie ahead; to strive to achieve their personal best in their academic studies; and to involve themselves in and contribute to the many co-curricular activities that our staff offer our students. We hope that you too will encourage your child to be involved in school life, so that they quickly build a sense of belonging and can take pride in being members of our school and local community. Similarly, we encourage you to keep informed and engaged yourself.

Your child is in their final year at primary school and is no doubt very excited about the many Year 6 milestones that mark this final year, and hopefully also about the Year 6-7 transition ahead. Our Orientation Program aims to ensure our new Year 7s feeling welcomed, supported and well-informed as they settle into our school community. Your child's Year 6 teacher will play a critical role in this process, providing us with a range of details about your child's learning and other requirements. Based on this information, some students and their families will be invited to targeted transition meetings or programs for special circumstances prior to Orientation Day on Tuesday 8 December 2026.

To assist you and your child, we have the **MSC Transition Website**, which will be your 'one stop shop' for all transition information. The MSC Transition Website outlines the schedule you will need to follow over the coming months and the key information that you will need. Should you have questions that are not covered on this website, please contact **our Registrar, Louise Alford, on 9874 3422**.

Some key details and dates for now are:

- **Friday 18 September** (the last day of Term 3) - all enrolment forms due to our General Office;
- **Monday 19 October** (early Term 4) - our Year 7 2027 Family Welcome Night for all parents and students;
- **Saturday 24 October** (early Term 4) - our diagnostic testing day for all incoming students;
- **Tuesday 8 December** (in late Term 4) - the statewide Orientation Day

We look forward to having a successful partnership with you over the six years that your child is a member of our Mullauna Secondary College community.

Yours sincerely,

Harry Ruff
Principal
